1ST INTERNATIONAL SYMPOSIUM OF CLINICAL AND APPLIED ANATOMY

Dear colleagues, friends and guests,

On behalf of the Organizing Committee it is our great privilege and pleasure to invite you to participate in the 1st INTERNATIONAL SYMPOSIUM OF CLINICAL AND APPLIED ANATOMY (ISCAA) from September 17-19, 2009 in Novi Sad, Serbia, organized by Faculty of Medicine of the University of Novi Sad.

The Symposium intends to comprehensively cover various aspects of modern medicine and to favour meetings of anatomists with different backgrounds and orientations. This fruitful exchange of knowledge and experience aims at further developing a feeling of identity of “new” and “modern” anatomy. We shall do our best to use this opportunity for professional and scientific work and hope that you will join us for what promises to be a stimulating professional and educational event.

We look forward to welcoming you to Novi Sad soon.
